

# Healing is our inheritance

When Jesus taught His disciples to pray He Himself said, "Let your will be done on earth as it is in heaven." Matthew 6:9, 10. There is no sickness or disease in heaven, nor was there sickness or disease in the Garden of Eden. God's perfect will is health, as it was in the Garden, and as it still is and always will be, in heaven. God's Word gives us God's will.

God is no respecter of persons (Acts 10:34) and He never changes (Malachi 3:6). So what He said to them yesterday, He is saying to you today. God's Word is God speaking to you/me.

It is important for us to feed on the Word of God to build our faith. When we meditate on healing scriptures it builds our faith to receive healing. "Faith comes by hearing and hearing by the Word of God" (Romans 10:17). We want to encourage you to meditate on these scriptures daily. We do.

We have personalized as many of the verses as possible, so that it will be more meaningful to you. It would also be meaningful to you if you put your name in the verse in place of "you" or "yours". Please feel free to print these verses, so that you can have them at any time to read and study.

Remember that one of the most important truths to realize is that you have already been healed through Christ's work on the cross, so it is a matter of receiving what He's already paid for you! THAT'S GOOD news!
